Refund Policy

SCHOOL REFUND POLICY

The school's refund policy which addresses the items listed below and is consistent with the minimum requirements in the Code of Maryland Regulations.

_____ A If the school closes or discontinues a course or program, the school shall refund to each currently enrolled student monies paid by the student for tuition and fees and monies for which the student is liable for tuition and fees.

_____ B All fees paid by the student shall be refunded if the student chooses not to enroll in or to withdraw from a school within 7 calendar days after having signed a contract.

_____ C If the student chooses not to enroll after the 7-day cancellation period but before the first day of instruction, the school may retain the registration fee.

_____ D If, after the 7-day cancellation period expires, a student withdraws after instruction begins, refunds shall be based on the total contract price for the course or program and shall include all fees, except the registration fee and any charges for materials, supplies, or books which have been purchased by, and are the property of, the student. The minimum refund that a school shall pay a student who withdraws or is terminated after the 7-day cancellation period has expired and after instruction has begun, is as follows:

Proportion of total course or program

Tuition

Proportion of total course or program taught by the date of withdrawal	Tuition Refund
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to 50%	20% refund
More than 50%	No refund
